PRODUCT DATA SHEET

## NATRALITE™ CAMELLIA

Natralite™ Camellia has a shorter playtime on skin with fast absorption and leaves no oily film on the skin. Natralite™ Camellia is recommended for use in skin and hair care products. Its composition includes Camellia Japonica Oil, (Tsubaki Oil,) which is traditionally used in hair care in Asia. The product is ideal for scalp, hair and beard care products making the hair pleasurably soft and bringing a natural shine and protection to hair. Natralite™ Camellia is recommended for all skin and hair types.
